## Our Commitment To You

We have a vested interest in your complete satisfaction with your total vehicle buying experience. In fact, that is exactly why this program was originally developed. Mechanical Protection Plan® (MPP) was developed in 1979 because many consumers had purchased service agreements from other companies – only to be mistreated when requesting service or lose their coverage because the issuer went out of business. We wanted to be sure consumers had a program that would be there for them when they needed it the most. We are the Mechanical Protection Plan® (MPP). Your trusted driving companion since 1979.

## National Claims Assistance:

1-800-747-4400

Monday - Friday 7:30am – 6:00pm CST

Saturday 8:00am – 3:00pm CST

## CLUB PLUS BENEFITS INCLUDE:

### Club Benefits\*\*

- A program provided by Road America Motor Club, Inc., that includes Emergency Roadside Assistance and the following benefits:

- ✓ Key Repair/Replacement Assistance
- ✓ Emergency Message Relay
- ✓ Savings Connection
- ✓ Emergency Travel Expense *(Not available in CA and NY)*
- ✓ Ambulance Service Reimbursement *(Not available in GA, NY, and VA)*
- ✓ Car Theft Reward
- ✓ Hit and Run Reward
- ✓ Drivers Valet
- ✓ Custom Trip Routing

\*\*A separate benefits package will be sent to you from Road America Motor Club, Inc.

### EMERGENCY ROADSIDE ASSISTANCE:

**Towing Assistance** - When towing is necessary, your Covered Vehicle will be towed to your issuing dealer or closest qualified service facility.

**Flat Tire Assistance** - Service consists of the removal of the flat tire and its replacement with your spare tire.

**Battery Assistance** - If battery failure occurs, a jump start will be provided to start your vehicle.

**Fuel, Oil, Fluid and Water Delivery Service** - An emergency supply of fuel, oil, fluid and water will be delivered if you are in immediate need. You must pay for the fuel or other fluid when it is delivered.

**Lock-out Assistance** - If your keys are locked inside the Covered Vehicle, assistance will be provided to gain entry into the Covered Vehicle.

*(All subject to the \$100 per occurrence limit.)*

## ADDITIONAL BENEFITS:

### Plus Benefits

#### Paintless Dent Repair

- Dings and dents from things such as runaway shopping carts and wind blown car doors are more than annoying, they reduce your vehicle's value and appearance. Unfortunately, most cars have them or are going to get them. Paintless Dent Repair (PDR) is an innovative process developed by automotive manufacturing production teams to remove small dings and dents from painted sheet metal surfaces without harming the vehicle's factory finish. PDR works from the inside and therefore, does not require sanding, painting, or body fillers. In most cases, there is no evidence a dent ever existed. Certified PDR Service Technicians are highly skilled craftsman who utilize specialized hand tools to manipulate and flex the metal back to its original form.

#### Covered Body Panels

Sedan

Covered Body Panels
  Non-Covered Body Panels

**SUV** ..... Rear hatch included in coverage  
**Pick-Up Truck** ..... Tailgate included in coverage  
**Minivan** ..... Rear hatch included in coverage

#### Tire/Wheel Road Hazard

- For the term of your coverage, provides for tire repair when damaged by a Road Hazard. If a tire of the Covered Vehicle is non-repairable and has more than 3/32nds of tread depth remaining, it is eligible for replacement with a comparable new tire (including balancing & mounting). If a wheel covered under this Plan is damaged in conjunction with a covered tire due to a Road Hazard and cannot hold proper tire pressure, it will be repaired or replaced with a wheel of like kind and quality as the original wheel. Damage resulting in scrapes, scratches, or other cosmetic damage where the tire can hold proper tire pressure is not covered under this Plan. All tire/wheel replacement services must be performed by a nationally recognized commercial establishment.

#### Windshield Repair

- For the term of your coverage, provides for front windshield chipping and repairable front glass damage. Protection includes repair of chips and/or cracks caused by propelled rocks or road hazard debris while driving on public roads, streets and highways. Repairs are of a structural nature and not of cosmetic nature. Coverage is for front windshield glass repairs only. For safety reasons, chips or star cracks over one and one half (1.5) inches in diameter, straight cracks over 6 inches in length, chips or cracks or other damage that are in the driver's acute line of sight, cracks that extend to the windshield's edge, or any other damage that is considered non-repairable are excluded from coverage.
