

### Our Commitment To You

We have a vested interest in your complete satisfaction with your total vehicle buying experience. In fact, that is exactly why this program was originally developed. Mechanical Protection Plan® (MPP) was developed in 1979 because many consumers had purchased service agreements from other companies – only to be mistreated when requesting service or lose their coverage because the issuer went out of business. We wanted to be sure consumers had a program that would be there for them when they needed it the most. We are the Mechanical Protection Plan® (MPP). Your trusted driving companion since 1979.

# On-Gard Theft Protection

Your Trusted Driving Companion Since 1979

# OVER 1.3 MILLION CARS ARE STOLEN EVERY YEAR. PROTECT YOUR VEHICLE.

Professional car thieves target vehicles they are able to sell quickly. The On-Gard Theft Protection System leaves a permanent and traceable registration number on the vehicle's windshield, rear window and side windows that cannot be removed like other anti-theft devices. Warning labels clearly alert would-be thieves that your vehicle is equipped with such protection.

Your auto insurance may not cover all associated expenses you incur if your vehicle is stolen. If your vehicle is stolen and not recovered, your auto insurance agrees to pay for the current market value of your vehicle at the time of loss. You may be faced with incidental expenses not covered by your auto insurer such as deductibles, substitute transportation, and vehicle replacement expenses (sales tax, registration fees, increased costs of a new vehicle). The On-Gard Theft Protection System will help to offset those expenses and ease the financial distress associated with vehicle theft.\*

You may be entitled to a discounted premium by most major auto insurance companies for having a theft deterrent system installed on your vehicle. Please check with your auto insurance carrier for details.

**IF, DURING YOUR REGISTRATION PERIOD, YOUR VEHICLE IS STOLEN AND NOT RECOVERED WITHIN 30 DAYS, YOU MAY BE ENTITLED TO VEHICLE PROTECTION EXPENSES UP TO \$4,550.\***

**HELP PROTECT YOURSELF AND YOUR VEHICLE FROM WOULD-BE THIEVES BY INSTALLING THE THEFT PROTECTION SYSTEM.**

**YOUR VEHICLE WILL BE ENGRAVED WITH TRACEABLE REGISTRATION NUMBERS IN SIX LOCATIONS.**
